
Job title: Nordic Associate – Private Equity

Client: Leading European Private Equity Firm
Location: London

The Brief: Carpenter Farraday were engaged by the firm's London office, following the successful completion of a similar search mandate for their German office earlier in the year.

The brief was to identify an Associate for the Nordic Investment team. They required a Swedish national at Analyst level and specifically wanted to target candidates with M&A experience from Tier 1 Investment Banks. The successful individual also had to demonstrate exceptional modelling skills and an entrepreneurial mindset along with a genuine interest in investments during the rigorous selection process.

The outcome: Carpenter Farraday's Nordic team successfully introduced a Swedish second year Analyst from a Bulge Bracket Investment Bank. The candidate commenced work at the end of July 2009 after a three month long assignment.
