

Private Banker Luxembourg

Package: €80,000 - €120,000 per annum + benefits

Location: Luxembourg

Summary:

Independent European Private Banking group in Luxembourg seeks asset gathering Private Bankers with domestic portfolios.

Job description:

The bank has a presence across Europe and from their Luxembourg office the Bankers cover Benelux, Southern and Central European clients. The firm has gained a reputation as being innovative and forward thinking and they operate on an open architecture platform with new client investments starting at €1m.

Successful candidates will have at least 8 years experience from private banking in an asset gathering role. You will currently be targeted at bringing in Net New Money per annum at €30-50m. Your AUMs are more focused towards the domestic markets, covering any European or International geography.

Fluency in a European language such as Dutch/Flemish, Spanish, Italian or German is required along with good knowledge of French.
