

Private Client Portfolio Manager/s

Package: Up to £100k + Package

Location: London

Summary:

A leading International financial advisory group are looking to add a number of private client portfolio managers to their existing wealth management team.

Job description:

Offering a range of sophisticated investment services, our client are best known for their financial planning and stockbroking business. However, almost 15 years ago they moved into the wealth management market and have grown their AUM to over £5billion. They have over 200 staff in 5 locations servicing this business and are keen to add significant quality to their discretionary and advisory teams.

They have a disciplined open architecture multi-asset investment process and seek individuals who have experience working under a similar platform and who can bring a book of private clients.

If you are an individual or part of a team looking for a new opportunity please get in touch for a confidential discussion.
