

Private Client Portfolio Manager

Package: £90k - £130k Base + Bonus

Location: London

Summary:

A well respected investment management firm specialising in wealth management are looking for a private client portfolio manager to join their London team.

Job description:

As one of the UK's leading wealth management experts, our client have established a reputation for excellence and have successfully built on their AUM, even in the current economic climate.

They focus on building long term relationships with their clients, providing a tailored service and structuring their portfolio's to suit specific requirements.

Due to an influx in client assets, they are looking to build their private client portfolio management team. The successful individual will need to have worked in a client facing environment with a similar firm and have a book worth over £150million.
