

Restructuring – Associate

Package: £60-80,000 + Bonus

Location: London

Summary:

High profile, International Investment Bank, looking to expand the European restructuring business following the hire of a high profile Partner.

Job description:

Following the hire of a new Restructuring Partner for the London office, this renowned Investment Bank are now looking to add further support to the team with the hire of an experienced Associate. The role will involve European coverage within the Restructuring advisory practice.

You will need to have prior experience working within an established Restructuring or Debt Advisory team either within Investment Banking, Big 4, or a specialist advisory firm. Experience working across Europe and therefore a fluency in a second language (ideally French or German) would be desirable.

As part of the Restructuring team, you will be working with debtors, creditors, sponsors working on a broad cross section of restructuring solutions. Given the firms exceptional credentials in the M&A space, the restructuring team will work in close proximity with the broader Corporate Finance team.
