

Institutional FX Options Sales - Germany

Package: £100K basic plus bonus

Location: London

Summary:

Our client, a top tier US Bank seeks an FX sales person, who will be required to cover the Institutional Client Base in Germany.

Job description:

A top tier US bank is looking to expand their FX sales team. They are looking for a VP level executive to sell FX options to the institutional client base in Germany.

To be successful you will need to have excellent relationships in Germany plus you need to be very strong technically. You should have 6-10 years experience from a top tier bank and preferably be a German national.
