

Multi Asset Sales - Iberia

Package: £100K basic plus bonus

Location: London

Summary:

Multi Asset Sales Person selling to institutional client base in Iberia required for a top tier US bank.

Job description:

A top tier US bank is looking to expand their Iberian sales team. They are looking for a Director level executive to sell Equities, Rates, FX and Commodities to their institutional client base in Iberia - Spain and Portugal. The person needs to have excellent relationships in Iberia plus needs to be very strong technically.

6-10 years experience from a top tier bank would be required for this role, and the ideal candidate would be a Spanish or Portuguese national.
