

# Corporate Broking - Associate

---

**Package:** £55-70,000 + Bonus

**Location:** London

---

## Summary:

Global Investment Bank with a fast growing Corporate Broking team requires an Associate level individual for the London office.

---

## Job description:

Global Investment Bank with a fast growing Corporate Broking team requires an Associate level individual for the London office. Providing strategic advice and raising equity for FTSE 100 and FTSE 250 clients, you will work closely with the M&A and Coverage teams.

You will assist in the origination and execution of ECM transactions and public M&A with both new and existing clients, specifically within FIG. You will be involved with industry and company research, quantitative, market and shareholder analysis. You will also be given responsibility to communicate with clients, Senior Investment Bankers and other advisors.

Prior Corporate Broking experience is essential and you will ideally have had exposure to a number of clients within the FIG space. Excellent communication skills, the ability to deliver complex financial analysis and modelling and valuation skills are all key requirements.
