

# Senior Private Bankers

---

**Package:** CHF180,000 - CHF220,000 + Bonus

**Location:** Geneva

---

## Summary:

Our client, one of the Prestigious Swiss Private Banks is looking to expand its team of senior private bankers with a focus on Latin America, more specifically Argentina and Chile.

---

## Job description:

Our client has 80bn CHF under management and is looking to increase its presence in Latin America. It offers a very comprehensive range of wealth management services from mass affluent to UHNW clients.

They are interested in senior private bankers, with a book of Argentinean or Chilean clients, and at least USD 70-80M to transfer within the first year. You will be supported by a team of Investment Advisory experts.

Good academics, with at least 10-15 years Private Banking experience within a similar organization. Languages would be a definite advantage, particularly Spanish.
