

Technology M&A – Senior Associate

Package: £80-90,000 + Bonus

Location: London

Summary:

Highly regarded Technology team within a Top tier Investment Bank with a remarkable performance record, require a Senior Associate for the London office.

Job description:

Following an exceptional year in 2009, especially given the current climate, this high profile Investment Bank are now seeking to expand the team in the London office.

This is an opportunity to work within an entrepreneurial and collegiate environment, where you will gain excellent transaction exposure working within small deal teams. You will be an experienced Coverage or M&A banker with strong execution experience gained within a well regarded Technology or related team with exposure to one or more of the following:

- Software and Services
- New/Digital Media
- Hardware
- Semiconductors

Candidates will ideally have a fluency in a second European language - ideally German or French and must display a natural interest in the Technology sector.
