## Job description:

Top Tier, Global Investment Bank with a superb track record requires an Analyst 2 or 3 to join the Nordic group. You will work on Corporate Finance transactions, across various sectors within the Nordic region.

You will be involved with industry and company research, quantitative analysis, company valuation analysis and preparation of presentations for clients. You will gain exposure to full cycle transaction execution and will also be given early responsibility to communicate with clients and other advisers.

Strong financial analysis and modelling skills are essential, along with excellent communication skills and a genuine drive and determination to succeed. Prior regional transaction experience is preferred, but candidates with demonstrable execution experience from other sector teams would also be considered.

Native Swedish, Norwegian, Danish or Finnish languages are essential.
