## Job description:

Global Investment Bank with a superb track record requires an Analyst to join the European Consumer group. You will work on Corporate Finance transactions, across various sub sectors within Consumer and Retail.

You will be involved with industry and company research, quantitative analysis, company valuation analysis and preparation of presentations for clients. You will gain exposure to full cycle transaction execution and will also be given early responsibility to communicate with clients and other advisers.

Strong financial analysis and modelling skills are essential, along with excellent communication skills and a genuine drive and determination to succeed. Prior transaction experience within the sector is preferred, but candidates with demonstrable execution experience from other sector teams would also be considered.

A second European language would be preferable.
