

## Russia/CIS Private Banking team

---

**Package:** Desk Head – CHF 260,000  
Senior Private banker – CHF 220,000  
**Location:** Geneva

---

### Summary:

Award-winning boutique start-up Asset Management Company with a Wealth management offering seeks to grow its presence in the Russia & CIS markets in Geneva. On their behalf, we are seeking to identify a plug-in team who would provide Wealth management services to clients of that region in Switzerland

---

### Job description:

Our client is an award-winning and growing player in the UK that is continuing to strengthen its foothold in Wealth Management by branching out into Switzerland. The company is seeking to appoint a Russia & CIS plug-in team, servicing HNWI/UHNWI clients who will be based in Geneva.

The successful candidates will have at least 8-10 years experience in Private Banking and ideally will have worked together as a team for a few years. The desk head will demonstrate a strong management record and will currently be in a management role within a Private Bank. Both individuals will demonstrate a strong ability to acquire new clients and will have an excellent network in Russia & CIS.

The successful team will be running a reasonable client portfolio and will be able to demonstrate a clear business plan to transfer/introduce new client money in the first 12 to 18 month timeframe. Fluency in English is essential plus fluency in Russian would be a bonus. Candidates must be willing to relocate to Geneva.
