

## Partner – Technology Boutique

---

**Package:** Circa £100k + profit share

**Location:** London

---

### Summary:

Mid-Market, Technology focused Investment Bank require an additional partner with a background in a complementary sector to join their established and respected Corporate Finance advisory firm.

---

### Job description:

The firm has focused solely on the Technology sector since its inception in 2000 and has built an enviable reputation winning an award in 2009 for 'boutique of the year'. They are now seeking an additional Partner to join the team.

An experienced individual with a background in a complementary sector is required to work alongside the current team. A strong deal history and a desire to work in a pragmatic and truly consultative environment are essential attributes for this role. Complementary sectors could include New Media, Healthcare – (Medtech or Biotech) or more traditional technology subsectors – Software, Hardware, Communications Equipment etc.

You will be a consummate corporate financier, with prior origination experience, from an Investment Bank, Advisory firm or Big 4 Corporate Finance sector team. The firm has a broad geographical reach and excellent cross boarder deal history.
