

Senior Private Banker Turkey

Package: 180-250CHF base + formulaic bonus

Location: Geneva or Zurich

Summary:

This client has one of the best reputations in the Turkish Private banking space. The Private Bank has a global footprint and is expanding on an opportunistic basis for teams & talented individuals across all geographical locations.

Job description:

They are looking to take on a talented senior RMs with a book of business, more important are the revenues/bps not only the size of AUMs. Unlike most other banks this bank actually provides the service your clients need, rather than what the bank wants to give the client.

The remuneration is directly linked to what you bring in and sits at a generous 20% of AUM. You will report into the Executive Director who is Turkish and runs a meritocratic team..
