

TMT - Associate

Package: £60-75,000 + Bonus

Location: London

Summary:

Top Tier US Investment Bank requires an experienced individual at Associate 1 or 2 level to join their London based, TMT coverage group.

Job description:

Top Tier European Investment Bank requires an experienced individual to join their well established, London based TMT coverage group. They have a strong reputation with the TMT sector and are consistently highly ranked in the European league tables.

The successful candidate will need strong execution skills and ideally speak fluent German. A prior background within a Corporate Finance TMT environment is essential for this position, as are highly developed modeling skills and a genuine interest and enthusiasm for the sector.

You will be a final year analyst or first year associate, from a recognized TMT franchise and will need to demonstrate a first class educational background and strong deal history.
