

African Equity Sales - Nigeria

Package: £100K – £150K base + bonus

Location: Lagos, Nigeria

Summary:

Director level Equities Sales specialist with broad experience in Nigerian and Pan-African Equities and an international institutional/corporate client base, as well as experience in an international Capital Markets environment.

Job description:

One of the foremost players in the development of the Sub Saharan African Equities business is expanding their coverage in Nigeria by hiring a Director level Equities Sales specialist with broad experience in Nigerian and Pan-African Equities and an international institutional/corporate client base.

Your Experience in an international Capital Markets environment will be instrumental in helping the bank to build the best coverage on Sub-Saharan Equities. Ideally, you will already be based in Lagos, but if you have relevant experience and are open to relocating /moving to Nigeria we would be interested in talking to you.
