

Corporate Finance – VP/Director

Package: Excellent Base + Bonus + housing

Location: Riyadh, Saudi Arabia

Summary:

Long established, well regarded regional Investment Bank with a very strong, multi national advisory team require an additional Vice President and Director.

Job description:

Long established, well regarded regional Investment Bank with a very strong, multi national advisory team require further analysts/associates for the Riyadh office. The firm has an excellent deal history and an exceptionally strong pipeline for the future.

You will have very strong execution skills and have demonstrable experience of leading M&A transactions. Ideally you will have exposure to regional specific deals, but this is not essential. The ideal background would be someone trained at a global investment bank, with a strong track record in corporate finance who is looking to take a lead on transactions and increase their client exposure.

Fluency in Arabic would be preferred, but is not an essential requirement.
