

Automotive Investment Banking - VP

Package: £100 - £120K + Bonus

Location: London

Summary:

US Investment Bank requires a Senior Associate / Junior VP to join the Industrials group to focus on the Automotive sector.

Job description:

US Investment Bank requires a senior associate or junior VP to join their Industrials team to focus on the Automotive sector. The bank has a leading industrials coverage business with teams based in London, New York, and South East Asia and due to recent senior management changes requires an experienced automotive banker to support the MD covering the sector. This is an excellent opportunity to take on responsibilities above those usually expected of a VP. Client contact will be excellent and you will be a central part of developing the long term automotive European client relationships.

If you are interested in joining a leading industrials team in a global bank but with more to be able to take on more origination responsibility, this is an outstanding opportunity.
