

TMT – Senior Associate

Package: £80-100,000 + Bonus

Location: London

Summary:

Highly regarded Global Investment Bank with requires a Senior Associate for the EMEA TMT Group.

Job description:

Highly regarded Global Investment Bank requires a Senior Associate for the EMEA TMT Group. With a well established presence already, they are now seeking to expand the coverage of the team to bolster their execution ability in the region.

Candidates will ideally have completed a full Analyst training program at a Top Tier Investment Bank and have moved part way through an Associate program. You will need to demonstrate the ability to manage and support junior Associates and Analysts and will have superb execution skills and full cycle transaction experience. Prior experience working within a TMT M&A or sector coverage team is essential.

You will need to have excellent analytical skills and will hold a degree in a relevant numerical subject from a top school. A second European language would be beneficial but is not essential.
